Vice President: Mohamed’s Report

Perks Program: An outside company that designs systemized incentives through local and national discount. Hoping to bring the program to UIC to increase student and alumni engagement.

Pack The P: The event for MLK day was cancelled over winter break. There were many logistical issues. Athletics and office of Gov affairs are working to reschedule it for the end of the month.

IBHE-SAC: New Public relations Chair. The board is working on reconstruction. UIC USG can help by continuing participation and engagement through group chats, on Facebook, or in person.

Lobby Day: Lobby Day will be February 28th. Looking to meet with Jocelyn in creating a flyer to display to the student body. Students must keep in mind a contract must be signed for attending Lobby Day. The contract will suggest that all students are responsible for school missed, and those signing up for Lobby Day and not attending will be fined.

Office: Event forms will be due on the last Friday of every month in my mailbox.

Recruitment: Recruitment of new general assembly members will continue this semester.
